About me

In the field of IT, I am interested in web development, programming and 3D printing. However, it is not difficult to get me interested in something new.

In addition, I am passionate about sailing, chess, scouting and sports of all kinds.

I am a self-taught person who grasps everything quickly, nonetheless I enjoy working in a group and meeting new people.

Skills

- HTML/CSS
- Java Script
- React
- Python
- SQL
- Hardware

- Teamwork
- Managment

- English B2
- Polish Native
